California Fuchsia *Epilobium canum*	X	X			X	X	X	X		**109**	X
California Poppy *Eschscholzia californica*	X	X	X	X	X	X				**122**	X
Christmas Berry (Toyon) *Heteromeles arbutifolia*	X	X	X		X	X	X			**76**	X
Common Yarrow *Achillea millefolium*	X	X	X	X	X	X	X		X	**238**	X
Coyote Mint *Monardella villosa*	X	X	X	X	X	X	X	X	X	**159**	X
Deer Grass *Muhlenbergia rigens*		X	X			X	X			**6**	X
Dutchmans Pipevine ***** *Aristolochia californica*					X	X	X			**1**	
Foothill Penstemon *Penstemon heterophyllus*	X	X	X	X	X	X	X	X		**290**	
Interior Live Oak *Quercus wislizeni*	X	X			X	X	X		X	**312**	X
Narrow Leaf Milkweed *Asclepias fascicularis*		X			X	X	X			**213**	
Western Redbud *Cercis occidentalis*	X	X	X	X	X	X	X	X	X	**43**	X

* **Aristolochia californica** is ENDEMIC to our region. The Pipevine Swallowtail butterfly is ENDEMIC.

Local native plants are **Climate Ready** because they are found **naturally** in a given region and have evolved and thrived over thousands of years to the conditions that surround them.

Preserve them in their natural areas.

Plant them to boost biodiversity and ecosystem services.

The Sacramento Valley Chapter's monthly e-newsletter contains chapter announcements and upcoming events, and each issue is posted on the Newsletter page and emailed to all newsletter subscribers. You do not need to be a member to receive our eNewsletter.
