

**PLANT SPECIES KNOWN TO OCCUR AROUND COLD CANYON (THE VACA MOUNTAINS, SOLANO COUNTY)**

**ADIANTACEAE**

Adiantum jordanii	Maidenhair fern
Pellaea andromedifolia	Coffee fern
Pityrogramma triangularis	Goldback fern
Pellaea mucronata	Bird's-foot fern

**EQUISETACEAE**

Equisetum arvense	Horsetail, common
Equisetum hymenale	Common scouring rush

**PINACEAE**

Pinus sabiniana	Gray pine
-----------------	-----------

**ACERACEAE**

Acer macrophyllum	Bigleaf maple
-------------------	---------------

**ANACARDIACEAE**

Rhus triloba	Squaw bush
Toxicodendron diversilobum	Poison oak

**APIACEAE**

Anthriscus scandicina	Bur chervil
Daucus pusillus	Rattlesnake weed
Lomatium californicum	California lomatium
Sanicula bipinnata	Poison sanicle
Sanicula crassicaulis	Pacific snake root
Foeniculum vulgare	Sweet fennel

**ARISTOLOCHIACEAE**

Aristolochia californica	Dutchman's pipe vine
--------------------------	----------------------

**ASTERACEAE**

Achillea borealis	Yarrow
Baccharis pilularis	Coyote bush
Baccharis viminea	Mule fat
Brickellia californica	Brickel bush
Eriophyllum lanatum	Woolly sunflower
Matricaria matricarioides	Pineapple weed
Micropus californicus	Mike's eye
Senecio vulgaris	Saw thistle
Wyethia heleneoides	Mule's ears

**BORAGINACEAE**

Amsinckia intermedia	Fiddleneck
Cynoglossum grande	Grand Hounds-tongue

**BRASSICACEAE**

Brassica kaber	Charlock
Capsella bursa-pastoris	Shepherd's purse
Cardaria draba	Hoary cress
Lepidium strictum	Turnip weed
Thysanocarpus curvipes	Lace pod
Erucium caucasicum	Wildflower cress

CALYCANTHACEAE

Calycanthus occidentalis Spice bush

CAPRIFOLIACEAE

Lonicera interrupta Honey suckle  
Sambucus mexicana Elderberry  
Symphoricarpos mollis Snowberry

CARYOPHYLLACEAE

Cerastium vulgatum Large mouse ear  
Stellaria media Chickweed, common

CHENOPODIACEAE

Chenopodium californicum Soap plant

CISTACEAE

Helianthemum scoparium Rock rose

CONVOLVULACEAE

Calystegia purpurata

CORNACEAE

Cornus glabrata Dogwood

CRASSULACEAE

Crassula erecta Pigweed or Valerian

CUCURBITACEAE

Marah fabaceus Manroot or wild cucumber, California  
Marah watsonii Taw manroot

ERICACEAE

Arbutus menziesii Madrone  
Arctostaphylos glandulosa var. cushingiana  
Arctostaphylos manzanita Parry manzanita

FABACEAE

Cercis occidentalis Red bud  
Lathyrus vestitus Pacific sweet pea  
Lotus humistratus Hill lotus  
Lotus scoparius Deer weed  
Lupinus bicolor Dwarf lupine  
Lupinus densiflorus whitehorn lupine  
Medicago polymorpha Bur clover  
Pickeringea montana Chaparral pea  
Psoralea physodes  
Trifolium tridentatum Tomcat clover  
Vicia sp. Vetch

FAGACEAE

Quercus douglasii Blue oak  
Quercus dumosa Scrub oak  
Quercus wislizenii Interior live oak  
Quercus lobata Valley oak

## GERANCIACEAE

Erodium spp.  
Geranium molle

Dovefoot geranium

## HIPPOCASTANACEAE

Aesculus californica

Buckeye

## HYDROPHYLLACEAE

Eriodictyon californicum  
Nemophila pedunculata  
Phacelia imbricata

Yerba santa  
Meadow nemophila  
Caterpillar phacelia

## JUGLANDACEAE

Juglans hindsii

Black walnut

## LAMIACEAE

Lepechinia calycina  
Marrubium vulgare

Pitcher sage  
Horehound

## LAURACEAE

Umbellularia californica

California bay

## OLEACEAE

Fraxinus dipetala

Oregon ash

## ONAGRACEAE

Clarkia spp. <sup>purpurea</sup>  
<sup>unguiculata</sup>  
Zauschneria californica

Winecup Clarkia  
Elegant Clarkia  
California fusia

## PAPAERVACEAE

Eschscholzia caespitosa

Tufted poppy

## POLEMONIACEAE

Linanthus bicolor  
Linanthus ciliatus

True baby stars  
Whisker brush

## POLYGONACEAE

Rumex crispus

Curley dock

## PORTULACACEAE

Calandrinia ciliata  
Claytonia perfoliata

Red maids  
Minners lettuce

## PRIMULACEAE

Dodecatheon hendersonii

Henderson's shooting star

## RANUNCULACEAE

Clematis lasiantha  
Delphinium hesperium  
Delphinium nudicaule  
Ranunculus hebecarpus  
Ranunculus occidentalis

Ying's anemone  
Lark'sour, foothill  
Lark'sour  
Western buttercup

RHAMNACEAE

Ceanothus cuneatus Buckbrush or Wedgeleaf ceanothus  
Ceanothus soledadensis Jim bush  
Rhamnus californica Coffee berry  
Rhamnus crocea Red berry

ROASACEAE

Adenostoma fasciculatum Chamise  
Cercocarpus betuloides Mountain mahogany  
Heteromeles arbutifolia Toyon  
Holodiscus discolor Cream bush  
Rosa californica California rose  
Rosa gymnocarpa  
Rubus ursinus Blackberry

RUBIACEAE

Galium aparine Bed straw  
Galium nuttallii Climbing bed straw

SALICACEAE

Populus fremontii Fremont cottonwood  
Salix hindsiana Sandbar willow  
Salix laevigata Red willow  
Salix lasiolepis Arroyo willow  
Salix melanopsis Dusky willow

SAXIFRACACEAE

Lithophragma heterophyllum Wood net plant  
Ribes malvaceum Currant

SCHROPHULARIACEAE

Castilleja foliolosa Felt paintbrush  
Collinsia heterophylla Chinese houses  
Mimulus aurantiacus Bush monkey flower  
Pedicularis densiflora Indian warrier  
Penstemon heterophyllus Foothill penstemon  
Penstemon lemmonii  
Schrophularia californica California bee plant  
Veronica persica Speedwell

SOLANACEAE

Solanum xanthi Nightshade

VALERIANACEAE

Plectritis ciliosa  
Plectritis congesta

VITACEAE

Vitis californica California grape

LILIACEAE

Brodiaea  
 Dichelostemma  
 "

Brodiaea laxa  
 Brodiaea pulchella  
 Brodiaea volubilis  
 Calochortus amabilis  
 Chlorogalum pomeridianum  
 Zigadenus fremontii

Ithuriel's spear  
 Blue dick  
 Twining hyacinth or snake lily  
 Fairy lantern  
 Soap plant  
 Fremont's camas

POACEAE

Avena spp.  
 Bromus spp.  
 Briza minor  
 Festuca spp.  
 Hordeum spp.  
 Nasella pulchra  
 Poa spp.

Cat grass  
 Bromus grass  
 Little rattlesnake grass  
 Poa  
 Stipa  
 Bromus  
 Danthonia

Aira
