

Volunteer at Plant Sale Pick up

That's right! It is the greatest time of the year! The highly anticipated fall plant sale will soon be upon us and we need your help to make it a success! Please join us for our biggest event of the year and help us get native plants into happy homes.

This year's plant sale will be online only and *we need volunteers* for our pick-up days on **Sunday September 29th, Wednesday, October 2nd, or Sunday October 6th**

We need the following positions:

Plant pickers (pullers)– plant pickers work in the nursery and help fill orders. A good knowledge of native plants is needed, and familiarity with the layout of the nursery is a plus. This position requires light lifting and walking.

Sundays from 8am until about 12:30.

Wednesday from 8:30-noon

Plant haulers– plant haulers work with the plant pickers and transport the filled orders in wagons to the customer service area. This position entails a fair bit of walking.

Sundays from 8am until about noon.

Wednesday from 9:00-12:30

Customer Service– these volunteers greet new plant parents and load the plants into the vehicle from the tables. This position entails light lifting, a lot of standing, and a bit of chatting.
