

Nimbus Flat Plant List, Sorted by Plants Group, Category, Family, and Genus

For the hike on _____

Ferns

Polypodiaceae (Polypods (ferns))

Polypodium calirhiza Nested polypody

Pteridaceae (Brake)

Pellaea andromedifolia Coffee fern
Pentagramma triangularis Goldback fern

Gymnosperms

Cupressaceae (cypress)

Sequoia sempervirens Coast redwood

Pinaceae (pine)

Pinus muricata Bishop pine
Pinus sabiniana Foothill pine

Magnolids

Aristolochiaceae (birthwort)

Aristolochia californica California pipe vine

Eudicots

Anacardiaceae (sumac)

Toxicodendron diversilobum Poison-oak

Apiaceae (Carrot)

Anthriscus caucalis* (a-) Burr chervil
Daucus pusillus (a-) Wild carrot
Foeniculum vulgare*+ Fennel
Lomatium caruifolium var. caruifolium Caraway-leaved lomatium
Sanicula bipinnatifida Purple sanicle
Sanicula crassicaulis Pacific snakeroot
Torilis arvensis*+ (a-) Common hedge parsley

Apocynaceae (dogbane)

Asclepias cordifolia Purple milkweed
Vinca major*+ Periwinkle

Asteraceae (sunflower)

Artemisia douglasiana California mugwort
Baccharis pilularis ssp. consanguinea Coyote brush
Carduus pycnocephalus*+ (a-) Italian thistle
Centaurea solstitialis*+ (a-) Yellow star thistle
Chondrilla juncea*+ Skeleton weed
Cotula coronopifolia*+ Brass buttons
Erigeron canadensis (a-) Canadian horseweed
Erigeron foliosus Fleabane daisy
Eriophyllum lanatum var. grandiflorum Common woolly sunflower
Eriophyllum lanatum Common woolly sunflower
Euthamia occidentalis Western goldenrod
Holocarpha virgata (a-) Pitgland tarweed
Hypochaeris glabra*+ (a-) Smooth cat's ear
Layia pentachaeta (a-) Sierra tidy tips
Madia gracilis (a-) Gumweed
Madia elegans (a-) Common madia
Matricaria discoidea (a-) Pineapple weed
Micropus californicus (a-) Q-tips
Pseudognaphalium californicum (a/p-) California everlasting
Senecio vulgaris* (a-) Common groundsel
Silybum marianum*+ (a/p-) Milk thistle
Solidago velutina ssp. californica California goldenrod

Eudicots

Asteraceae (sunflower)

Stephanomeria Virgata spp. pleurocarpa (a-) Twiggy wreath plant
Uropappus lindleyi (a-) Silver puffs

Berberidaceae (barberry)

Nandina domestica* Heavenly bamboo

Betulaceae (birch)

Alnus rhombifolia White alder

Bignoniaceae (trumpet creeper)

Catalpa bignonioides* Southern catalpa

Boraginaceae (borage) (Borage)

Amsinckia menziesii (a-) Common fiddleneck
Nemophila menziesii (a-) Baby blue eyes
Nemophila heterophylla (a-) Small baby blue eyes
Phacelia distans (a-) Common phacelia
Phacelia cicutaria (a-) Caterpillar phacelia
Plagiobothrys tenellus (a-) Slender buckwheat
Plagiobothrys nothofulvus (a-) Popcorn flower

Brassicaceae (mustard)

Arabidopsis thaliana* (a-) Mouse-ear cress
Lepidium nitidum (a-) Shining pepper grass
Raphanus sativus*+ (a/p-) Wild radish
Thysanocarpus curvipes (a-) Fringepod

Caryophyllaceae (Pink)

Petrorhagia dubia* (a-) Windmill pink
Silene gallica* (a-) Windmill pink
Stellaria media* (a-) Common chickweed
Velezia rigida* (a-) Velezia

Convulvaceae (Morning Glory)

Calystegia occidentalis Western morning glory

Cucurbitaceae (Stonecrop)

Marah fabacea Wild cucumber

Euphorbiaceae (Spurge)

Croton setiger (a-) Turkey-mullein

Fabaceae (pea)

acmispon glaber California broom
acmispon parviflorus (a-) Hill lotus
acmispon americanus var. americanus (a-) Spanish lotus
Lupinus albifrons Silver bush lupine
Lupinus nanus (a-) Sky lupine
Lupinus benthamii (a-) Spider lupine
Lupinus bicolor (a/p-) Miniature lupine
Trifolium campestre* (a-) Low hop clover
Trifolium hirtum*+ (a-) Rose clover
Vicia villosa* (a-) Winter vetch
Vicia sativa* (a-) Spring vetch

Fagaceae (beech)

Quercus douglasii Blue oak
Quercus wislizenii Interior live oak
Quercus x morehus Oracle Oak
Quercus lobata Valley oak

Nimbus Flat Plant List Continued....

Eudicots

Geraniaceae (Geranium)	
Erodium brachycarpum*	(a-) Whitestem filaree
Erodium moschatum*	(a-) Whitestem filaree
Erodium cicutarium*+	(a-) Redstem filaree
Erodium botrys*	(a-) Long-beaked filaree (5")
Geranium molle*	(a/p-) Dove's foot geranium
Hydrangeaceae (Hydrangea)	
Philadelphus lewisii	Wild mock-orange
Hypericaceae (St. John's Worts)	
Hypericum perforatum*+	Klamathweed
Lamiaceae (mint)	
Lamium amplexicaule*	(a-) Giraffe's head
Marrubium vulgare*+	Horehound
Mentha canadensis	Wild mint
Monardella villosa	Coyote mint
Montiaceae (Miner's lettuce)	
Claytonia parviflora	(a-) Miner's lettuce long leaf
Claytonia perfoliata	(a-) Miner's lettuce
Moraceae (Mulberry)	
Ficus carica*+	Common fig
Myrtaceae (Myrtle)	
Eucalyptus globulus*+	Blue gum
Oleaceae (olive)	
Ligustrum Spp.*	Privet
Olea europaea*+	Olive tree
Onagraceae (Evening Primrose)	
Clarkia unguiculata	(a-) Elegant clarkia
Epilobium canum	California fuchsia
Epilobium brachycarpum	(a-) Tall willowherb
Orobanchaceae (Broomrape)	
Castilleja attenuata	(a-) Valley tassels
Castilleja foliolosa	Woolly Indian paintbrush
Papaveraceae (poppy)	
Eschscholzia californica	(a/p-) California poppy
Romneya coulteri	Matilija poppy
Phrymaceae (Lopseed)	
Diplacus aurantiacus	(a-) Sticky monkey flower
Phytolaccaceae (Pokeweed)	
Phytolacca americana*+	Pokeweed
Plantaginaceae (Plantain)	
Collinsia heterophylla	(a-) Chinese houses
Keckiella breviflora	Gaping penstemon
Plantago lanceolata*+	English plantain
Triphysaria eriantha	(a-) Butter and eggs
Veronica arvensis*	(a-) Corn speedwell
Platanaceae (plane-tree)	
Platanus racemosa	California sycamore
Polemoniaceae (Phlox)	
Gilia bicolor	(a-) True babystars

Eudicots

Polygonaceae (Buckwheat)	
Rumex crispus*+	Curly dock
Ranunculaceae (buttercup, crowfoot)	
Delphinium hesperium	Western larkspur
Rhamnaceae (Buckthorn)	
Ceanothus cuneatus	Wedgeleaf ceanothus
Frangula californica ssp. tomentella	Hoary coffeeberry
Rhamnus ilicifolia	Hollyleaf redberry
Rosaceae (rose)	
Heteromeles arbutifolia	Toyon
Rosa californica	California wild rose
Rubus armeniacus*+	Himalayan blackberry
Rubiaceae (madder, bedstraw, coffee)	
Cephalanthus occidentalis var. californicus	Button bush
Galium aparine	(a-) Common bedstraw
Salicaceae (Willow)	
Populus fremontii ssp. fremontii	Fremont cottonwood
Salix gooddingii	Black willow
Salix lasiandra	Pacific willow
Salix lasiandra var. lasiandra	Pacific willow
Salix exigua	Narrowleaf willow
Salix lasiolepis	Arroyo willow
Salix laevigata	Red willow
Sapindaceae (Soapberry)	
Aesculus californica	California buckeye
Saxifragaceae (Saxifrage)	
Lithophragma bolanderi	Bolander's woodland star
Lithophragma affine	Woodland star
Micranthes californica	California saxifrage
Verbenaceae (Vervain)	
Verbena bonariensis*+	(a-) Blue vervain
Viburnaceae (Muskroot)	
Sambucus mexicana	Blue elderberry
Vitaceae (grape)	
Vitis californica	California wild grape
Monocots	
Agavaceae (Agave)	
Amaryllis belladonna*	Naked lady
Chlorogalum pomeridianum	Soap plant
Cyperaceae (sedge)	
Carex barbaea	Santa Barbara sedge
Poaceae (grass)	
Aira caryophylla*	(a-) Silver hairgrass
Briza maxima*+	(a-) Big rattlesnake grass
Cortaderia selloana*+	Uruguayan pampus grass
Melica californica	California melic grass
Stipa miliacea var. miliacea*+	Smilo grass
Themidaceae (Brodiaea)	
Dipterostemon capitatus	Blue dicks
Triteleia laxa	Ithuriel's spear
