

SACRAMENTO VALLEY CHAPTER CALIFORNIA NATIVE PLANT SOCIETY

The Sacramento Valley Chapter of the California Native Plant Society serves Sacramento, Yolo, Colusa, Sutter, and Yuba Counties, and parts of Placer and San Joaquin Counties. All programs & projects are open to the public. CNPS membership is not required.

We are all volunteers at the Chapter level. YOU ARE INVITED TO JOIN US!

Chapter meetings: are on the 2nd Wed of the month (Jan – June; Sept - Nov) at 7pm and are held at the Sacramento Garden & Arts Center of McKinley Park in Sacramento. The meetings are hybrid so you can participate from home. SacValleyCNPS.org/chapter-news-and-events/

Conservation: Our chapter collaborates with community leaders and local environmental groups to preserve native plant habitat and advocate for healthy ecosystems. conservation@sacvalleycnps.org We also have a seat with Environmental Council of Sacramento.

SacValley CNPS Nursery & Gardens: Volunteers propagate local native plants plus create and maintain our demonstration gardens during Monday and Wednesday Workdays from 10-12. No expertise needed. Just your willingness to help! Great way to learn about native plants! Join us! cnpschris@gmail.com

Outreach: We need more people with friendly personalities who enjoys sharing your enthusiasm for the importance of native plants, join us! cnpschris@gmail.com

eNewsletter: It contains chapter announcements and upcoming events, and each issue is posted on the Newsletter page and emailed to all newsletter subscribers. You do not need to be a member to receive our eNewsletter. SacValleyCNPS.org/Newsletters/

Friday Walks: are for plant identification, wildlife, photography, and fun! Destinations are along the American River Parkway and around Folsom Lake. SacValleyCNPS.org/Friday-walks/

Gardens Got Natives Garden Tour: is a free, self-guided Spring Native Plant tour featuring private gardens in Sacramento, Placer, and Yolo Counties. gardensgonenative@gmail.com

Homegrown Habitat: is an effort to regenerate the health of our ecosystems by encouraging the collaboration of homeowners, schools, businesses, governments, farmers, and community groups across the chapter region. Habitat expansion is habitat healing. HH@SacValleyCNPS.org

Kids in Community Gardens Grant program: brings native plants into the hands and minds of school children and local community garden visitors. SacValleyCNPS.org/king

Native Plant Sales: are held at SacValley CNPS Nursery & Gardens in the Spring and Fall. Be part of the team! plantsale@SacValleyCNPS.org

Native Plant Propagation at Home: We are giving people the tools to grow local natives at their homes or in their community spaces by posting **propagation resources** to help you on your growing journey. SacValleyCNPS.org/prop/ There you can sign up for Meet-up notifications!

The mission of the California Native Plant Society is to increase understanding and appreciation of California's native plants and to conserve them and their natural habitats, through education, science, advocacy, horticulture and land stewardship. SacValleyCNPS.org
